Subject: Butte County 2002 FTIP Administrative Amendment #4

The purpose of this email is to inform you that BCAG completed an administrative amendment #4 to the 2002 FTIP.

The amendment changes the implimenting agency from Caltrans to Various. The reason was to include BCAG's participation in the development of this project. In addition, BCAG added 220,000 to the PE component to be consistent with the Supplemental Vote approved by the California Transportation Commission (CTC). No other changes were made. This project is exempt from a regional emissions analysis. BCAG followed its approved procedures by the Board of Directors in making this administrative amendment.

If you have any questions, please give me a call or send me an email. Attached for your awareness is the CTIPS data printout for the project. This project can be found in CTIPS directly by entering the PPNO #: 2411. This project is funded STIP (RIP) funds.

The scope of the project includes operational improvements on State Route 99 in the City of Gridley (median for about 2 blocks).

If you have any questions, please give me a call or send me an email.

Thank you.
